Experiment 2

Code:

The image shows a web browser window displaying a registration form. The form is titled "Registration Form" and is styled with a dark blue background and white text. The form includes input fields for Name, Email, Password, Mobile, and Address, along with a Submit button. The CSS code is visible in the browser's developer tools, showing the styling for the form and its elements. The JavaScript code is also visible, defining a validation function for the form.
